

# INTRODUCTION

You pride yourself in being able to find the perfect gift. It's fun and a joy, but it takes time. Unfortunately, no one has the luxury of spending hours leisurely choosing every gift. Fill in our Birthday and Occasion List. Using it to remind you to call friends or buy them a gift puts you at the head of the class.

Do you know there are people who make a living as gift-buyers? When we find just the right present for a certain occasion, we keep buying it for the next person. Barbara's favorite gift for newlyweds is a bright red tool chest. You'll save time and money, and we're sure the recipient won't recycle it. When you find gifts you think work, just put them on the list. Have to get a graduation present or going to a dinner party and need a present for your host? Just look on our lists.
